

The Position:

The Department of Technology and Innovation Management (TIM) of Group Sup de Co Montpellier Business School seeks candidates for full-time faculty positions at the assistant professor level.

Faculty duties include teaching at the graduate and undergraduate levels and research. We will consider candidates with backgrounds and interests in any area of Technology and Innovation Management but preference will be given to candidates with research and teaching experience on the interaction between Technology & Innovation Management. Salary level is negotiable and relocation assistance and research support is offered.

TIM Department:

The TIM Department counts 5 Permanent and 2 affiliated faculty members and is seeking to expand its team members. Faculty in the department has research interests in: IT design and development, Creativity in IT projects, IT & business value, Managing knowledge and innovation work among others. TIM members publish their research in leading academic/practitioner journals and present their contributions in premier academic and practitioner events. Collaborative research with TIM members as well as external collaborators is encouraged.

Qualifications:

The successful candidate must:

- Hold a Ph.D./Doctorate degree in an area related to Technology and Innovation Management,
- Be fluent in French and in English as the successful candidate will have to teach in both languages.
- Be an established member of the international research community,
- Demonstrate teaching excellence,
- Be able to teach in at least two of the followings areas: Innovation Management, IT foundations, Electronic Business Management.

School Description:

Group Sup de Co - Montpellier Business School, is an AACSB accredited French "Grande Ecole" located in Montpellier, one of the most dynamic cities of the south of France.

Since 1897, GSCM - Montpellier Business School (<http://www.supdeco-montpellier.com/>) has run top level training anchored in a tradition of quality and innovation, with a strong international focus and has formed partnerships with leading universities and Business Schools all over the world.

Each year, it trains more than 6000 people in the various business managerial functions.

Application Procedure:

Interested applicants should send a cover letter, vitae, select research papers, and the names and addresses of three references by email to: **Jean-Benoit TROSSELER**, Human Resources Management: GSCMrecruit@supco-montpellier.fr.

Pre-screened candidates will be contacted by Hind Benbya, Head of the TIM Department to arrange preliminary interviews at the Academy of Management Annual Meeting in San Antonio, Texas.
